

EcoPak Pharma+

Our EcoPak Pharma+ shippers have been specially designed and tested, providing superior thermal performance to meet or exceed the needs of our pharmaceutical customers seeking sustainable cold chain solutions.

Our EcoFiber liners are manufactured in a zero-waste environment from a recycled fiber blend and wrapped in a compostable film that absorbs moisture.

Key Features

- Available in 3 standard sizes as well as made-to-order custom sizing
- Dimensional weight savings opportunities
- Cushioning provides superior payload protection
- Replaces EPS products, foam or other insulators
- In-house design, validation and qualification services are available

Recyclable and biodegradable

ISTA 7E / AFNOR S99-700 pre-qualified and validated

Fully customizable with your company logo and text
