

Ecopak Pharma+ Paper

Our paper-in-paper Pharma+ shippers have been specially designed and tested, providing superior thermal performance to meet or exceed the needs of our pharmaceutical customers seeking sustainable cold chain solutions..

The temperature-controlled pack-outs are pre-qualified and validated to maintain temperatures of products during shipment, having been tested against ISTA 7E summer 48-hour and winter 60-hour profiles.

Key Features

- 100% paper-in-paper construction
- Available in 3 standard sizes as well as made-to-order custom sizing
- Dimensional weight savings opportunities
- Cushioning provides superior payload protection
- Replaces EPS products, foam or other insulators
- In-house design, validation and qualification services are available

Recyclable and biodegradable

ISTA 7E / AFNOR S99-700 pre-qualified and validated

Fully customizable with your company logo and text
